The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 3, 7, 8, 12, 13 and 15-20 are rejected under 35 U.S.C. 102(b) as being anticipated by Takagishi et al.

This rejection is maintained for reasons of record. Applicants have not amended the claims or submitted arguments with their request for continued examination.
